Dear Passaic Valley School Community,

September is just around the corner and we are excited to see everyone soon. As we prepare for the return of students and staff, I would like to share the following updates and reminders with you:

1. School reopens on Tuesday, September 7. We will utilize our early dismissal schedule (8:04am-12:35pm) on September 7 and 8. On Thursday, September 9 we will return to our regular bell schedule (8:04am to 2:30pm). Student schedules will be posted to the Realtime Portal next week.
2. There are no remote learning options available to start the school year. Students will be in-person, full-time, five days a week, including lunch. Student clubs, activities and athletics will operate normally.
3. Per Governor Murphy's most recent executive order, masks must be worn at all times by staff, students and visitors regardless of vaccination status while inside the school building. Students must also wear their masks while riding on the bus. These procedures are subject to change as we receive new guidance from the state and local health departments.
4. In the event a student must quarantine due to COVID-19, that student will be allowed to participate remotely until they can return to school. Fully vaccinated individuals that come in contact with someone that tests positive for COVID-19 do not need to quarantine unless they are showing signs and symptoms. It is our intention to keep school open for the duration of the year. Please help us accomplish this goal by being vigilant and reporting any potential symptoms to the school.

I appreciate your patience and support as we prepare for September. Please expect to receive additional updates from me prior to the start of school. I am confident that our open and honest communication will help ensure a successful reopening.

Educationally yours,
