Dear Parents/Guardians:

On Tuesday, January 26th, all Passaic Valley students in grade 11 are invited to take the PSAT/NMSQT. This test is fully funded by Passaic Valley and will take place during the school day.

Students taking this exam can utilize a passing score to satisfy NJ's Standardized Testing Requirement for graduation. Participating 11th grade students can also qualify for the National Merit Scholarship Program by taking the PSAT/NMSQT.

For more information regarding the PSAT and college readiness access

Please note the following:

- Bussing will be available for students at their regularly assigned time and stops.
- Masks are required for all students and staff.
- Covid questionnaires must be filled out in the student portal prior to arrival that morning. Students will need to show a screen shot of their responses for entry into the building.
- Social distancing guidelines will be strictly followed, and groups will be kept under 10 students.
- Students will be notified in advance of their assigned testing room and will report to that site at 8:04 am.
- Attendance will be taken before testing begins.

Students in grades 9, 10 and 12 will remain home and have an asynchronous school day. Students are required to sign in to google homeroom by 8:30 am and check google classroom for pre-recorded lessons and assignments.

As usual, we are looking for your continued support and cooperation in getting all students to school on time and prepared for the test. Dismissal for testing students will be at approx. 12:30pm.

Sincerely,

Tara Torres
Director of Student Personnel Services
