- Covid Screenings/Questionnaire prior to all practices and competitions

**Parents & Fans**

Spectators are still not permitted to attend indoor events based on Executive Order #196. The only people allowed into an indoor event are the essential personnel for the game such as (players, coaches, officials, training staff, event staff). To help our fans view the games we will continue to offer the NFHS network live stream to our parents and fans. We are also looking into providing this service for free throughout the remainder of the year given these difficult circumstances for all.
