February 2019

Dear Parents and Guardians of Class of 2019,

I would like to share the following information regarding new professional certification opportunities that are offered at William Paterson University through their Pre-College Saturday University program. Our district has partnered with WPU to offer three of these courses at PV in the 2019-2020 school year, but we felt it was important to let our seniors and senior parents know that you too can take these courses at WPU on Saturdays in the spring of 2019 before graduation. In effort to promote college and career readiness, the cost to you before graduating from high school is at a discounted rate. However, William Paterson is offering our students an additional discount in celebration of our recent partnership. After graduation these courses will be available directly through the College of Continuing and Professional Education, but at the post-secondary rate. If you wish to know more about this great opportunity do not hesitate to call our guidance department or click the link below which will take you to the Saturday University website. William Paterson will be also holding an information session for interested students on their campus, Saturday, February 23rd from 10am to 12pm.

[Saturday University Registration Information](#)

Thank you for taking the time to read and understand how this partnership can be of benefit to your child. We continue to actively pursue whatever programs we can that would serve our students to further their efforts to be ready for the workforce or post-secondary opportunities.

Sincerely,

Dr. J. Cardillo,
Superintendent

Cc: T. Torres

Program Link: <https://wpconnect.wpunj.edu/cpe/catalog/youth/course-detail.cfm?id=35512>

Professional Certification programs offer high school seniors the opportunity for structured learning experiences at a college campus along with career readiness training. WPU's programs offer students an opportunity to earn a certificate to gain an entry level position after high school graduation by preparing them in their discipline of interest and providing them a solid foundation to launch their career and continue their post-secondary education. With our school partnership, the cost per student is **\$1079**. Use Promo Code **SATURDAYSATWP** when registering. For your convenience a 3-payment plan is available at time of registration, directly through William Paterson.

For more details attend the information session at William Paterson University
Saturday, February 23rd from 10am to 12 pm.
