Dear Parent & Guardian,

This year Passaic Valley is offering an eight-session preparation course for the SAT through the Passaic Valley Regional High School Education Foundation (PVRHSEF). **Classes begin Tuesday, March 5th in preparation for the May 4th SAT exam.** This is an effort to help your child raise his/her SAT score.

Each class is divided equally into Evidence Based Reading (EBRW) and Math preparation. Students must attend each of the eight classes, complete the required homework, which amounts to an average of 2 ½ hours of home study per week, and be attentive in class to see maximum results in raising scores. Your reduced rate for this program is **\$350**, which includes books. Students must bring their own calculator. Please visit collegeboard.org for calculator policies and regulations. Free/reduced lunch students are eligible for a further reduction in price. Please see your school counselor with your registration form for approval.

We hope you will take advantage of this program given at Passaic Valley High School. To register your child, send in the registration form on the next page to Mrs. Tiseo in Guidance with a check or money order made payable to: **PVRHSEF. Deadline for registration is Thursday, February 14, 2019.**
